Re: **WT Docket No. 01-315**; Assignment of Licenses from AT&T Wireless  
PCS, LLC; Status Report

Dear Ms. Dortch:

By Public Notice dated February 12, 2002 (DA 02-331), the Federal Communications Commission ("FCC") approved the assignment of certain licenses held by AT&T Wireless PCS, LLC ("ATT") to me. Those licenses were assigned to me by ATT on April 11, 2002, and I entered into a Trust Agreement with ATT on that day.

The Trust Agreement provides that I am required to file a report with the FCC 60 days following establishment of the trust (or by June 10, 2002) setting forth my efforts to accomplish the divestiture contemplated by the Trust Agreement. The purpose of this letter is to satisfy that obligation of the Trust Agreement.

As of this time, I am finalizing with a broker, Daniels & Co., the terms under which that firm will represent me in offering for sale the licenses that are the subject of the Trust Agreement, identifying one or more purchasers, and negotiating the terms of those transactions. I anticipate that immediately upon executing the engagement letter Daniels & Co. will actively begin these marketing efforts.

I will provide the FCC with a further report regarding my efforts to sell the licenses that are the subject of the Trust Agreement in another 60 days, as required by the Trust Agreement. In the interim, if there are questions regarding this matter, please contact me.

Sincerely yours,

David Michelman
